RE: IEMP 2001 Annual Review

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Integrated Environmental Monitoring Plan (IEMP) 2001 annual review.

The purpose of the annual review is to identify any programmatic changes necessary to align the IEMP with near-term remediation activities.

U.S. DOE's proposed changes appear adequate. Therefore, U.S. EPA approves the changes detailed in the IEMP annual review.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
